**HEALTHCARE THAT IS PROACTIVE, NATURE BASED AND
HEALTH FOCUSED. NO MANDATES, NO RESTRICTIONS,
YOUR BODY, YOUR CHOICE**

Freedom Healthcare is a private healthcare association, ministry-focused and membership based. Our model is Telehealth and Direct Primary Care Clinics with Concierge options. Subsequent Phases will be Urgent Care, Specialty clinics, Micro-hospitals and finally educational and research facilities.

We are in start-up mode, raising donations to fund telehealth and clinics, staff and administration. We have amazing professionals from all areas of health, medicine and management joining to help launch true old-fashioned healthcare into the future. You are investing in you and your family's future healthcare when you donate, and donations are tax-deductible.

Mission Statement: To provide proactive, sound and nature-focused healthcare to individuals, providing value and making a difference in individuals lives through spirit-mind-body.
