Do you have telehealth or providers in our area yet?

Right now, our Core Primary Level Membership is underway. Get folks involved as members in the Pre-Phase One membership. Like-minded providers/practitioners can utilize our website to be referred to. They will need to send in a "Contact Us" form on the Freedom

Healthcare site and ask to become an **Affiliated Provider**. We will check their website and information to determine a fit with the direction of Freedom Healthcare.

How do we get a Freedom Healthcare clinic in my city?

Local Fundraising activities at a town/city level will raise the funds for clinics. Obtaining business donations, which come with tax write offs, will help financially.

What type of services will Freedom Healthcare provide?

Telehealth, Natural-based, holistic, wellness, alternative services; clinics and urgent care, as well as micro-hospitals. Freedom Healthcare also has a Concierge Advocacy team to help Members navigate their new health care journey. Direct individuals to <https://freedom-healthcare.us>

Does Freedom Healthcare take insurance?

We do not take traditional insurance; Freedom Healthcare is a private-pay, private membership healthcare association. Our goal is to provide more affordable health care and are looking as well to create an internal insurance product for our members in the near future.

Are you hiring?

We are taking 'Staff Applications' for future status review. When we begin hiring for Freedom Healthcare positions, individuals that have volunteered time and talent in the start-up phase will be considered first.
